EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Kidney on 12/5/2007.

2. The application has been amended as follows:

- In claim 13, line 17, after "process", second occurrence, the language --, wherein at least one of said at least two of the work processes includes a stencil making process of stencil making based on data received and a printing process of printing the data developed in the stencil making process-- has been inserted.

- In claim 17, line 18, after "process", second occurrence, the language --, wherein at least one of said at least two of the work processes includes a stencil making process of stencil making based on data received and a printing process of printing the data developed in the stencil making process-- has been inserted.

3. The above changes have been made in order to patentably distinguish the claim above the prior art of record.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin D. Williams whose telephone number is (571)
